

RAC Telematics

24/7 vehicle tracking

Keep your business on track 24/7

Keeping track of your business vehicles at all hours can be difficult and very time consuming. RAC Telematics is an innovative solution which helps you to locate your drivers 24/7 and makes managing your time easier and tracking your vehicles quicker.

Our comprehensive vehicle tracking helps you to:

- › Obtain real-time status updates on your vehicles 24/7
- › Track and trace your closest vehicles to a Point of Interest
- › Improve customer service by viewing live traffic feeds to provide accurate ETAs
- › Stay in control with instant accident notifications in real-time
- › Receive time at location reports to help you obtain true job costs
- › Enhance driver safety and improve your Duty of Care responsibilities
- › Validate manual driver time sheets against system reports

Tracking your vehicles means you can plan your operations with confidence and monitor their progress in real-time.
