

Accident Management

Professional legal assistance

Specialised legal services from the motoring experts

Quick recovery of uninsured losses is key to keeping your business on track in the event of an accident. That's why we've developed a specialised legal service, supported by a team of uninsured loss recovery (ulr) experts dedicated to providing you with a seamless service for repair and loss recovery.

Our innovative service means you:

- › Keep your business motoring while payment is proactively pursued for you
- › Have a dedicated contact for the whole claims handling process
- › Benefit from swift presentation of invoices and other expenses to the 'at fault' insurance company
- › Get covered for the cost of court proceedings and expert ulr claim handlers
- › Receive customised reports to meet your business needs

Our service provides automated first notification of loss (fnol) and electronic notification of repair invoices, meaning that your claim will be processed and resolved as quickly as possible, helping you keep your business driving forward.
