

Accident Management

Third party claims

Controlling the cost of third party claims

It's important to protect your business when managing accident claims, especially when it comes to third parties. At the RAC, we have a dedicated Third Party Team to assist our customers in controlling third party costs.

Our expert Third Party Team:

- › Help you avoid costly third party claims for hire, repair and personal injury
- › Proactively review all outstanding third party cases including sourcing of delayed vehicle parts
- › Keep costs down with our team of engineers who work to Thatcham times and repair methods
- › Can source hire vehicles at competitive rates where courtesy vehicles are not acceptable
- › Take advantage of the RAC Rapid Repair service to get your vehicle back on the road saving your business time and money

With our expertise, vehicle downtime is minimised for both parties, saving you time and money, and helping your business stay on track.

Another reason to choose RAC Accident Management.
