

RAC Telematics

Keep control 24/7

Control at your convenience

Give your business the competitive edge with one of the most affordable and comprehensive telematics solutions on the market. Our team will professionally install the hardware into your vehicles, so you can keep track of them wherever you are.

Round the clock tracking from one smart little box means you:

- › Save time and money with our quick and easy installation
- › Keep initial costs down with easy to manage monthly fees
- › Stay up to date effortlessly with automatic software updates
- › Get live vehicle tracking updates every 60 seconds as standard
- › View live traffic feeds helping to plan alternative routes
- › Plan your operations efficiently with real-time vehicle updates
- › Receive expert support from our dedicated team who can help implement telematics seamlessly into your business

Simple installation and comprehensive functionality means that you can ensure your business is always on the right track, with easy access to your customisable portal from your laptop or smartphone.
